KPS Talent Development Programme

This programme is customized and differentiated for selected students who show great aptitude, strong interest and cognitive abilities. We aim to help these high ability learners to actualize their potential and cater to their needs according to their strengths through:

Differentiating Curriculum

- Provide a more challenging curriculum for our high ability learners
- Opportunity to learn advance concepts/skills beyond curriculum

Providing Enrichment

- Grow capacity to develop students' critical and inventive thinking

COVID-19 Vaccination Info for KPS P1 - P6 students

🕒 5 mins estimated time to complete

Instructions

Dear Parent/Guardian

Please submit this form to inform the school about the dates (1st & 2nd dose) of your child's/ward's COVID-19 vaccination as soon as you have booked and confirmed the vaccination slots. Please also update the school if the vaccination date(s) has been rescheduled. School will arrange for your child/ward to be exempted from physical activities for 2 weeks following the vaccination.

Parents/Guardians should monitor your child/ward for any side effects (e.g. fever, headache, pain, redness, or swelling at the injection site) after the vaccination. Most side effects are mild and improve in a few days. If, in the rare instance, your child experiences chest pain, difficulty breathing or rash, please seek medical attention.
