Dear P4 to P6 Parents/Guardians,

Co-Curricular Activities (CCA) Online Option Exercise to Change CCA for Primary 4 to 6 (2019)

CCA plays a key role in the holistic and character development of children. Well-organised and implemented CCA can fuel in your child a lifelong interest in a particular activity, be it a sport or a musical pursuit. This will help your child to lead a balanced life in adulthood.

All CCA emphasize social interaction but each CCA has its specific objectives. Besides building character, CCA also imbues in our students an entrepreneurial spirit, self-confidence and a sense of appreciation, all of which are necessary for the holistic development of an individual. Being in a CCA will inspire your child to strive for excellence and also equip your child with the necessary life skills such as working with others. Early exposure to CCA will also help your child in his/her transition to secondary school where CCA is compulsory.

In our school, all students in P3 to P6 will participate in a CCA during curriculum hours. CCA will commence on 18 January, Friday from 7.30 a.m. to 9.00 a.m.

All P4 to P6 students are encouraged to stay on in the same CCA throughout the year to allow them to fully explore and develop their skills and knowledge. **If your child would like to change his/ her CCA in 2019, you can make the one-time change in CCA option online.** Registration is open from **4 January, Friday to 10 January, Thursday**. Please refer to our school website, <http://kranjipri.moe.edu.sg>, for more details on each CCA. There should be no request for change in CCA during the course of the year unless accompanied by valid reasons. This request is to be submitted to the HOD PE/CCA and considered on a case-by-case basis.

We appreciate your prompt response in exercising your option in order to allow sufficient time for CCA Allocation. Students will be informed of their allocated CCA through their form teacher in Term 1 Week 2, 2019.

Thank you for your support and understanding.
