Through the Principal

Dear Parents/Guardians,

SwimSafer Programme 2015 for Primary 3 Pupils

The SwimSafer Programme is an MOE-SPORTSG initiative to reach out to all primary school students for them to attain water safety knowledge and basic swimming proficiency.

We are implementing this programme for all Primary 3 pupils as part of their Physical Education curriculum beginning from Term 2 Week 1. Pupils will have their swimming lessons from 7.30 a.m. to 10.00 a.m. once a week at the Choa Chu Kang Swimming Complex.

Pupils will be enrolled for this fully-subsidized programme conducted by qualified SwimSafer instructors. They will be grouped according to ability. Those who have already achieved the basic skills will undergo a more advanced course and tests to attain a higher certification. As this is an initiative that will benefit your child with a life skill, it is strongly encouraged that your child takes part in this programme.

Please complete the Consent Form and return it to your child's form teacher by **11 February 2015**.

Thank you.
