Dear Parents/Guardians,

Subscription to Newspaper - What's Up

In our continuous effort to cultivate good reading habits and to promote the knowledge of current affairs amongst our pupils, our school has embarked on the Reading Programme for the Primary 5 and 6 pupils.

As the programme will be incorporated into the EL curriculum, pupils are required to subscribe to "What's Up" - a newspaper written specially for children. They will be presented with local and global news written in a language that is simple and clear and with articles which are suitable for children to read. Besides active discussion on selected articles, relevant follow-up activities will also be conducted to deepen understanding.

Subscription to the newspaper is strongly encouraged. As a school subscriber, your child/ward pays **\$15** a year for 10 issues (except for June and December). The newspapers will be delivered to the school. Payment can be made via Edusave (Singapore citizens only), cash or cheque. For cheque payment, cheques are to be crossed and made payable to News for Kids. Please write your child's school, name and class at the back of the cheque. Please note that all payment made is non-refundable.

Please complete the subscription form attached and return it with the payment or Edusave form by **27 April 2015** to the form teacher. Should you need any clarification, please contact Mdm Ranjana at 67634812.

We sincerely look forward to your support and hope that "What's Up" will be a pleasurable and beneficial reading experience for your child.

Thank you.
